The ISC Logistics Committee is Ready to Show You How to Move

Tim Jacobs and Afton Nance, Denver, Colorado — Monday, 23 June 2014

Welcome to the Logistics Zone! We are Tim Jacobs and Afton Nance and we have been given the awesome responsibility of overseeing crowd logistics (ushering, directions and concierge type stuff) for the International Singles Conference!

We have nicknamed ourselves the “Agents of Movement” as it is our responsibility to help you navigate the Colorado Convention Center, hotel, and get to any points of interest in the city during your visit to Denver. We and our eager team of volunteers are looking forward to serving you when you arrive in September.

To that end, we want to introduce you to a Denver landmark which is a great reference point, as well as a source of inspiration; Denver’s iconic Big Blue Bear at the Colorado Convention Center. The Big Blue Bear stands 40-feet tall, looking into the windows of the convention center to see what all the fuss is about. The Colorado Convention Center will host the ISC main sessions and is across the street from the Hyatt Regency Hotel where you will be staying.

As we all sift through the sweet chaos of fellowship and finding our classes, remember the Big Blue Bear will guide you home! So, if you have a question about where to eat or what to do in Denver, your wonderful well-trained Agents of Movement will be here to serve and guide you through the Mile High City of Denver, Colorado. We look forward to seeing you!

P.S. If you don’t register, our Agents of Movement won’t be able to see your smiling face. To register and for more ISC information visit the ISC website (www.icocsinglesconference.org). Also a friendly reminder that if you don’t purchase your airline tickets soon, you may end up paying more than you need to.

Jeff Mannel, St. Louis, MO

The Gateway City Church is thrilled to have been chosen to host the 2016 North American Discipleship Summit here in St. Louis, Missouri on July 7-10, 2016.

Over 17,000 experienced the power of “gathering” at the 2012 Summit in San Antonio. The worship was amazing, the preaching and teaching

were exceptional and the fellowship refreshed the soul. We look forward to hosting you and preparing a place for you to gather with disciples from all over the North American continent to Reach Up together in worship of our God.

The theme of the summit is Reach Up. In. Out. We will Reach Up in worship of our God. We will allow God to Reach In through His Word to soften, shape, feed, inspire and change us. Then we will Reach Out as we take what we have learned and continue transforming into a movement of world changers.

Youth & Family, Campus, Singles, Marrieds, Spanish, Deaf & Worship ministries and more will all come together for an incredible four days of life change. The International Leadership Conference (ILC) will also join us here in the Gateway City.

Please mark the dates in your calendar and start saving now. Keep watching Disciples Today for more details coming your way very soon.
