SURGE Missions Update; Invitation to 2015 Singles Euro Missions Trip

Chad Winchell, Fairfax, VA

I wanted to share great news about SURGE (Singles United Representing God EVERYWHERE!)

A single sister, Kim Bonner, has offered to spearhead the initiative in Africa. Kim spent 2012 in Tanzania and 2013 in Geneva, Switzerland as one year challenges. She has many contacts of many church leaders in the smaller churches of Africa (where I think SURGE can be of most help). She has a big heart for the African disciples!

A brother, Bob Mitchell (formerly missionary and ministry), has introduced the SURGE initiative to both the Executive Committee and the Board of Directors of the Florida Missions Council. They were very enthusiastic about the prospect to include South America. They also extended to me an invitation to present the idea directly to the Mission Leaders in Miami for the Florida School of Missions in January!

The SURGE Euro Trip is still open to people who'd like to participate! Please share or forward the flyer below. You can also inform singles that they could consider using their vacation times for trips to South America and Africa! Please have people contact me directly at surgesinglemissions@gmail.com.
