Situation Report #1 – April, 26, 2015

On Saturday, April 25, 2015, a 7.9 earthquake brought calamity and destruction to a heavily populated area of Nepal impacting six million people. The quake was also felt in nearby China and India, however, Nepal sustained the most damage. The death toll is reported to have reached 2,500. This number may rise as communications are restored in the more remote villages.

Providing Immediate Shelter For Displaced Families

The HOPE *worldwide* Nepal School has been providing educational opportunities for the people in and around Katmandu for many years. HOPE *worldwide* Nepal responded quickly and opened the school to shelter families whose houses were destroyed.

Coordinating with international efforts, HOPE *worldwide* is responding to the government of Nepal's request for help. We are currently mobilizing resources to help those who urgently need our assistance.

Please pray for the people of Nepal and help HOPE *worldwide* respond today.

HOPEww Assesses Next Steps in Nepal Response Efforts

HOPE worldwide — Tuesday, 28 April 2015

Situation Report #2 – April 28, 2015

As the situation in Nepal becomes more bleak, the HOPE *worldwide* school remains a hopeful light in Kathmandu. Volunteers at the school have been providing meals and shelter for those that have been displaced.

HOPE *worldwide's* Director of Disaster Response, Charles Ham, is now in Nepal, bringing with him 50 blankets donated by Singapore Airlines. An additional 6,000 blankets are expected to arrive later this week. Over the next several days Charles will travel around Nepal and meet with partners and officials to determine where HOPE *worldwide* can best provide assistance.

On Thursday, Charles will travel to Pokahar, Nepal's second largest city to assess damages. Pokahar also is home to one of our sister churches with 19 members. Following an assessment of the situation
