congregations. For the past two years Ron and Linda have traveled between Seattle and San Diego serving the leadership groups and strengthening their own elderships. In many ways Ron is an elder's elder. This is attested to by the fact that his son Greg, an elder of the Seattle Church of Christ, was there to participate in his appointment. This may be the first time most of us have ever seen a father and son serve as elders! The San Diego church now has four elders with the hope of appointing more in the future. This marks a great step in our progress to restore and strengthen biblical leadership in our congregation.

San Diego Church Appoints Ron Brumley as Elder

Written by Ray Schalk — San Diego, CA

So Christ himself gave the apostles, the prophets, the evangelists, the pastors [shepherds] and teachers, to equip his people for works of service, so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ. — Ephesians 4:11-13

On January 25, 2015 the San Diego Church of Christ proudly appointed Ron Brumley once again to the eldership of the congregation. Once again Ron, responded to the call to shepherd God's flock. For many it was a historic moment seeing Ron address the congregation as our elder. Many members remember the days when every Sunday, the service was opened and closed by elders Ron Brumley and George Havins. Ron and George were originally appointed elders in 1978. In 1989 Ron and Linda moved to Chicago to build up an eldership there.

Over the next several decades the Brumleys have traveled the world building elderships and family ministries in many
