Written by HOPE worldwide

June 15, 2015 – HOPE *worldwide* Nepal is continuing to help ease the suffering of communities impacted by the devastating earthquake that rocked their nation almost two months ago. We are happy to report that HOPE *worldwide* has leveraged the initial donations to obtain and distribute critical relief supplies valued at US \$300,000. As a result, 8,600 blankets, 3,300 tarp shelters and approximately 44,000 pounds of food supplies have been distributed to those in need.
