growth and fun. We had different devotionals, fellowship and lots of fun! This has helped the unity of the ministry.

In April, we were blessed by the visit of 12 of our brothers and sisters from the Dallas/Fort Worth Church of Christ. Many campus disciples were able to serve alongside them in the different HOPE *worldwide* activities that week. The activities involved poor families, orphans, street children and children in the hospital. We are very grateful to all who come and serve the poor and vulnerable in La Paz.

We are very grateful to everyone who donated locally and internationally to help our dear sister and former campus intern, Jimena have eye surgery.

We have now launched our One Year Challenge website! If you are interested in coming to serve in Bolivia please contact us at boliviamissions@hotmail.com and on our Facebook page.

Ludi Acevedo, La Paz, Bolivia — Thursday, 05 May 2016

In March, disciples from our churches in La Paz and Cochabamba met together for our first conference in Santa Cruz. We had speakers from Florida, Tallahassee and the different parts of Bolivia. The campus ministry attended classes on leadership, encouraging us to rekindle the fire and to bring the mission to universities, and building spiritual friendships.

During our free time many disciples went on dates, fellowshiped or had Bible studies. The Santa Cruz church also held two different dance parties for the disciples. It was a great time of building community in our three churches, as well as building bridges among all of us to be able to glorify God and bring more people to him.

We were also recently able to have a time for the brothers and sister to meet separately and have a great time of spiritual
