Who should sing praises? Everything that breathes. Where? Everywhere. How? With a blast of the horn, with dancing, with strings and flutes and basically anything you can get your hands on.

Is that how you are praising God in his sanctuary? Does your soul long for deeper, higher, fuller praise?

If it does, we want you to come to the Animate Conference in Dallas, Texas frm October 13-15, 2017.

This conference is not just for worship leaders, musicians, singers. It's also for anyone who wants to experience a deeper connection to God. It is also for church leaders, ministers, evangelists, elders who want to lead their churches to a fuller worship.

We have some amazing speakers, leaders and artists coming already. More to be announced. We haven't decided on a venue yet, but it will be a smaller space so be aware – space will be limited. Register as soon as you can. There are discounts for couples and groups.

"We want Animate to be a sanctuary, a slice of heaven and a spiritual feast we can look forward to and bring back to our churches" – Christian Ray

ICOC Worship Conference "Animate" October 13-15

The Animate Planning Team — Dallas, TX, USA

"Praise God in his sanctuary;
praise him in his mighty heaven!
Praise him for his mighty works;
praise his unequaled greatness!
Praise him with a blast of the ram's horn;
praise him with the lyre and harp!
Praise him with the tambourine and dancing;
praise him with strings and flutes!
Praise him with a clash of cymbals;
praise him with loud clanging cymbals.
Let everything that breathes sing praises to the Lord!"
– Psalm 150:1-6
