Pray and Donate to Support Guy & Cathy Hammond

Henry James, Canada

Guy and Cathy Hammond have become well known in our fellowship of churches as they have traveled around the world teaching on some of the most controversial and complex issues facing our culture and the church today. Sadly, just last week, Cathy was diagnosed with having a high grade, stage 4 Glioblastoma.

The neurosurgeons did their best to remove the tumor during brain surgery but were unable to do so completely. The doctors are saying she has a life expectancy of 14 months. Trusting that God determines such things, the Hammond family is asking disciples to join them in praying the prayer that Hezekiah offered in 2 Kings 20:1-6 where he prayed for, and received 15 years added to his life.

Please go to *www.gofundme.com/guy-and-cathy-hammond-support-fund* if you would be willing to help lighten the financial challenges they are facing during this incredibly difficult time.
