Written by North River Church of Christ — Atlanta, GA, USA

Editor's note: The following is shared from the North River Church of Christ newsletter.

Every new birth in Christ is, of course, exciting. We, along with angels in heaven, rejoice! The North River Church family was grateful that God's grace allowed 113 more souls to enter his family through our outreach in 2017.

There were many who were not the first in their families to be ushered into God's kingdom. Below is just a sampling of those who were united in Christ with their sibling, spouse or child.

Four sets of siblings! Muna Iwotor saw her brother, Ike, come into God's fold; Camille Anjilivelil witnessed the same with her brother, Aaron; Meghan Jones was united with her brother Ryan, and Emily Alesch followed in the footsteps of her brother, Matt, to become a child of God. They were all in attendance at the campus retreat in October.

Mandy Sanders had her prayers answered when husband, Evan, joined her in making Jesus Lord in April.
