The disciples in these churches were very expressive of their gratitude and encouragement from our visit. As we all go on these trips to give and inspire, we also are moved and impacted by the stories of faithful disciples we meet.

SURGE Singles Missions will be visiting Latin America in October of 2018! We will visit the churches of Santiago, Chile, Vina del Mar, Chile and Quito, Ecuador. After Quito, we will travel to the Galapagos Islands. We are calling it the "Unfathomable Love of God Tour," inspired by Ephesians 3:17-19. As we visit disciples in these churches we want to try to communicate and connect with God's great love for each one of us. Come join us for this fun adventure!

SURGE Singles Missions Visits Miami School of Missions

Chad Winchell, Northern Virginia, USA

In late January, all the Central/South America/ Caribbean church leaders gathered at the Miami School of Missions. Mara and I joined them for two days on behalf of SURGE Singles Missions! (SURGE stands for Singles United Representing God Everywhere.) We shared about single disciples' excitement to encourage and strengthen disciples in foreign churches.

SURGE already has a great reputation among them from past visits to Brazil and South America. We had a great time meeting with eight people from the leadership team in Santiago, Chile. They shared with us how excited they are about SURGE coming to visit in 2018. Leaders from Santo Domingo and San Juan approached us and requested SURGE to come encourage churches in the Caribbean. We made tentative plans to visit the Dominican Republic, first encouraging the singles in the Santo Domingo and then traveling to two smaller church plantings on the island. Exact details and dates are yet to be determined.

Last summer, 28 single disciples traveled with SURGE to encourage six European churches. We had a blast! It was a joy and honor to encourage the disciples Edinburgh, Glasgow, Dublin, Brussels, Sofia, and Bucharest. These smaller churches are greatly impacted by the love, faith, connection, and inspiration that SURGE brings. Mara and I love seeing the giving hearts of the singles who go on these trips.
