

Bolivia Campus Ministry Iglesia Discípulos de Cristo

MAY 2016

Building Bridges

In March disciples from La Paz and Cochabamba got together for our first conference in Santa Cruz. We had speakers from Florida, Tallahassee and the different parts of Bolivia. The campus ministry spent time attending classes on leadership, about encouraging them to rekindle the fire and bringing the mission to universities and building spiritual friendships.

During their free time many disciples went on dates, fellowshiped or had bible studies with the visitors. The Santa Cruz church also held two different dance parties for the disciples. It was a great time of building community in the 3 churches, as well as building bridges among all of us to be able to glorify God and bring more people to him.

Unity

“And let us consider how we may spur one another on toward love and good deeds” Hebrews 10:24

In March, the campus ministry was able to have a time for the brothers and sister to meet separately and have a great time of spiritual growth and fun. During this time there were different devotionals, fellowship and lots of fun! This has helped in the unity of the ministry.

Disciples and friends having fun and praying together at a campus bible talk.

Having a great time as a bible talk family and welcoming our brother Nick Neel from San Diego, California who is here for 6 weeks serving with HOPE worldwide.

Serving together

"By this everyone will know that you are my disciples, if you love one another." John 13:35

DFW Church Visits

In April we had the visit of 12 of our brothers and sister from the Texas churches. Many campus disciples were able to serve alongside them in the different HOPE activities that week. The activities involved poor families, orphans, street children and children in the hospital.

We are very grateful to all who come and serve the poor and vulnerable in La Paz.

Highlights

Jordan Hall and Camila Barrientos got engaged on April 1st (no joke!). Jordan was admitted into the School of Medicine at the University of Florida in Gainesville and will start fall 2017 and Camila was admitted into Santa Fe.

We are very grateful to everyone who donated locally and internationally to help our dear sister and former campus intern, Jimena have eye surgery.

We have now launched our ONE YEAR CHALLENGE website! If you are interested in coming to serve in Bolivia please contact us at: boliviamissions@hotmail.com
