THE EDGE

I.L.C.
Kiev
Ukraine

INTERNATIONAL LEADERSHIP CONFERENCE 2008

On behalf of your Brothers and Sisters from Europe and Eurasia - we would like to extend an invitation to come and worship God and train together before Him, to reach the edges of the earth with the Gospel!

We are excited to announce that the ILC will be held in Kiev, Ukraine in 2008! We want to use this opportunity to invite, all leaderships from all over the world to come and participate in this life changing experience!

The movement in Eurasia started in the year 1991, when Andy and Tammy Fleming moved from Los Angeles to plant and lead the church in Moscow. Moscow after its first year saw 850 baptisms! With an urgent desire to get the Gospel to all of the Soviet Union, the next year 1992, the young church of 8 months organized and prepared 3 new mission teams, mostly composed of 6 month old christians.

Kiev was one of the three churches planted in 1992. With 504 at the first service and 28 baptisms the first week, God had truly prepared the hearts of the Ukrainian people!

This year Kiev was excited to celebrate its 15th anniversary! Now the church is 2000 strong and growing.

The Ukraine - translated to english is "The Edge". What an appropriate theme. As we strive to reach all nations, cities and villages - to the edge of our planet with the Gospel.

As we use the Edge of his Word to continue to have our hearts challenged and molded to serve Christ, and to be transformed into His likeness.

As we strive to live our lives completely on the Edge for Christ, as far from the World as we possibly can, it calls for walking with the Spirit and denying ourselves and being able to lay our lives down for his Mission!

We also look foreword to practicing "Pure Religion" as we will spend time with orphans and widows, as we take time to serve the poor and needy with HOPE worldwide in Kiev.

May God Be Glorified this Week!
